Congratulations to Blake Reigle and Damon Bustamante for successfully completing Tom Bayer's School of Drag Racing licensing program. Blake made eight runs with a best performance of

8.394 @ 161.69 mph. Both drivers are now NHRA licensed up to 7.50 ET in the 1/4 mile and

Blake Reigle and Instructor Thomas Bayer

showed they are ready for NHRA competition. All of us at TBR are happy to help get them on their way to a complete and successful drag racing career. Since Blake and Damon were licensed through Tom Bayer's School of Drag Racing, they are both now eligible to take part in a unique program that allows them to participate in Tom Bayer Racing's Team-Mate Program where they can drive a team car at a local, regional, or national event. For more information on licensing and/or the team-mate program please contact Tom Bayer's School of Drag Racing.

SCEDA Event Racing Recap

The recently completed Southern California Drag Racing Association event held at Auto Club Dragway June 16th-17th proved to be a busy one for Tom Bayer Racing. TBR fielded a four car team in the Super Pro class with drivers Kai Schuette, Carol Krancich, and the father/daughter team of Tim and Katie Takeshita. It was an especially exciting weekend for Kai and Carol since this was their first competitive race since licensing with TBR back in 2017. Kai won his first round of racing on Sunday with a 8.800 @ 154.00 mph! Carol also won her first round of racing during Saturday's race clocking in at X.XX @ XXX.XX! The father/daughter team ran well with Katie returning to the cockpit after a two year hiatus driving like a champ running 8.70s @ 155+ mph. Tim was performing great running 8.teens @ 165.XX mph! Unfortunately Tim and Katie had early exits from racing during the weekend, however they had a great time racing against each other and are looking forward to doing it again real soon.
